

Name _____

Birdhouses

Cecilia owns a store that sells decorated birdhouses. The table at the right shows the number of birdhouses Cecilia sold each month. Write an expression to represent the following situations.

Birdhouses Sold

January	417
February	379
March	341
April	262
May	m
June	89
July	76
August	94
September	s
October	296
November	439
December	611

- How many birdhouses did Cecilia sell in May and June together?

- How many more birdhouses did Cecilia sell in October than in September?

- Cecilia charges \$20 for each birdhouse. How much money did she make from selling birdhouses in August?

- How many birdhouses did Cecilia sell in January and February combined?

- How many more birdhouses did Cecilia sell in December than in November?

- The company that makes the birdhouses charges \$10 for each birdhouse. How much did Cecilia have to pay the company for the birdhouses she sold in July?
