

Name _____

Do You Have Change?

You take a 5-dollar bill to the bank and ask for change in nickels.

1. How many nickels would the bank give to you?

2. The bank gives you rolls of nickels wrapped in paper. A roll of nickels has 40 coins in it. How many dollars is each roll worth?

3. How many rolls of nickels would the bank give to you?

4. Will the bank give you any nickels outside of rolls?

If so, how many?

5. A nickel weighs 5 grams. How much does a roll of nickels weigh in grams?

6. What is the weight in grams of the nickels the bank gives you?
